Members & Friends:

***The new 2010-2011 Chamber Directory is in the works!  
Here's your chance to reach all membership & new businesses.***

The Walpole Chamber Directory and Resource book is the single piece of information that goes to all existing and new members. Plus, we send them out to potential new businesses in Walpole. Add to that, distribution points such as Town Hall and other key traffic areas, and it becomes one of the most important informational/contact tools in Walpole.

Here's how you can ensure your business is part of it:

- 1) Make sure the information on the outside label is accurate. This is how you will be identified in the general listings in the book. Please advise us of any changes.
- 2) Become a Member. Membership gains you prime location at the front of the book.
- 3) Purchase an **expanded listing or advertising spot**, ensuring your business is seen first and foremost. (An advertising sheet with all the details is included).

Please be sure to respond **no later than April 26th** to be included in the new Walpole Chamber of Commerce Directory. We're looking forward to hearing from you.

If you have any questions at all, please contact me.

Tom Scotti  
Chamber Director
